**Farmingville, NY** – On September 26, Councilwoman Valerie M. Cartright attended the 12th Annual Monte Carlo Masquerade fund raising event at Jefferson's Ferry to benefit the Successful Aging Project. Guests enjoyed dinner, dancing, raffle prizes, casino games and a costume contest.

The Jefferson's Ferry Foundation supports Successful Aging by ensuring that seniors have access to resources that promote a healthy, fulfilling lifestyle. Goals for this lifestyle include good nutrition, intellectual stimulation, physical activity, safety and security, and socialization, as well as promoting independence, access to transportation and healthcare, and encouraging collaboration with community agencies.

Councilwoman Cartright presented a proclamation on behalf of the Town of Brookhaven to Jefferson's Ferry resident Claire Donohue, recipient of the Community Builder Award, and Dr. Vincent Basilice and Welcome Inn Soup Kitchen, recipients of the Humanitarian of the Year Award.

"I enjoy every event I attend at Jefferson's Ferry, a beautiful community dedicated to its senior residents," stated Councilwoman Cartright. "It was my privilege to recognize Ms. Donohue, Dr. Basilice, and the dedicated individuals who work with Welcome Inn as this year's award recipients. Thank you, to each of you, for all that you do for our community."
